

such product on the grounds that it is adulterated or misbranded, the consignee shall notify the Inspector in Charge, Meat and Poultry Inspection Program, Food Safety and Inspection Service, U.S. Department of Agriculture, of the kind, quantity, source, and present location of the product and the respects in which it is alleged to be adulterated or misbranded, and it will be a violation of the Act for any person to sell or transport, or offer for sale or transportation, or receive for transportation, in commerce, any such product which is capable of use as human food and is adulterated or misbranded at the time of such sale, transportation, offer, or receipt: *Provided, however,* That any such allegedly adulterated or misbranded product may be transported to the official establishment from which it had been transported, in accordance with § 325.10 of this subchapter.

PART 321—COOPERATION WITH STATES AND TERRITORIES

Sec.

321.1 Assistance to State and Territorial programs.

321.2 Cooperation of States in Federal programs.

AUTHORITY: 21 U.S.C. 601–695; 7 CFR 2.17, 2.55.

§ 321.1 Assistance to State and Territorial programs.

(a) The Administrator is authorized under paragraph (a) of section 301 of the Act, when he determines it would effectuate the purposes of the Act, to cooperate with any State (including Puerto Rico) or any organized Territory in developing and administering the meat inspection program of such jurisdiction with a view to assuring that it imposes and enforces requirements at least equal to those under Titles I and IV of the Act, with respect to establishments at which products are prepared for use as human food solely for distribution within such jurisdiction, and with respect to the products of such establishments. Such cooperation is authorized if the jurisdiction has enacted a law imposing mandatory ante-mortem and post-mortem inspection, reinspection, and sanitation requirements at least equal to the Fed-

eral requirements with respect to all or certain classes of persons engaged in slaughtering livestock or otherwise preparing products solely for distribution within such jurisdiction.

(b) The Administrator is also authorized under paragraph (a) of section 301 of the Act to cooperate with any State (including Puerto Rico) or any organized Territory in developing and administering programs under the laws of such jurisdiction containing authorities at least equal to those in Title II of the Act (relating to records; registration of specified classes of operators; dead, dying, disabled, or diseased livestock; and products not intended for human food), when he determines that such cooperation would effectuate the purposes of the Act.

(c) Such cooperation may include advisory assistance, technical and laboratory assistance and training, and financial aid. The Federal contribution to any State (or Territory) may not exceed 50 percent of the estimated total cost of the cooperative State (or Territorial) program. A cooperative program under this section is called a State-Federal program.

[35 FR 15604, Oct. 3, 1970]

§ 321.2 Cooperation of States in Federal programs.

Under the “Talmadge-Aiken Act” of September 28, 1962 (7 U.S.C. 450), the Administrator is authorized to utilize employees and facilities of any State in carrying out Federal functions under the Federal Meat Inspection Act. A cooperative program for this purpose is called a Federal-State program.

PART 322—EXPORTS ¹

Sec.

322.1 Manner of affixing stamps and marking products for export.

322.2 Export certificates; instructions concerning issuance.

322.3 Transferring products for export.

¹Attention is directed to the requirements of part 325 of this subchapter, governing transportation, and to the requirements of § 318.8 of this subchapter that products prepared under that section for export be destroyed for food purposes before being sold or offered for sale for domestic use.

322.4 Clearance of vessels and transportation without certificate prohibited; exceptions.

322.5 Uninspected tallow, stearin, oleo oil, etc., not to be exported unless certified as prescribed.

AUTHORITY: 21 U.S.C. 601-695; 7 CFR 2.17, 2.55.

SOURCE: 35 FR 15604, Oct. 3, 1970, unless otherwise noted.

§ 322.1 Manner of affixing stamps and marking products for export.

(a) The outside container (including cloth wrappings) of any inspected and passed product for export, except ship stores, small quantities exclusively for the personal use of the consignee and not for sale or distribution, and shipments by and for the U.S. Armed Forces, shall be marked with an official export stamp, as shown in §312.8 of this subchapter, bearing the number of the export certificate.

(b) Each tank car of inspected and passed lard or similar edible product, and each door of each railroad car or other closed means of conveyance, containing inspected and passed loose product shipped directly to a foreign country, shall be marked with an official export stamp, as shown in §312.8 of this subchapter, bearing the number of the export certificate.

[42 FR 11825, Mar. 1, 1977, as amended at 50 FR 25204, June 18, 1985]

§ 322.2 Export certificates; instructions concerning issuance.

(a) Upon application of the exporter, the inspector in charge is authorized to issue official export certificates for shipments of inspected and passed product to any foreign country. Certificates should be issued at the time the products leave the official establishment; if not issued at that time they may be issued later only after identification and reinspection of the products.

(b) Official export certificates shall be issued with serial numbers and in triplicate form. Quadruplicate certificates may be issued for any exportation on request of the exporter. Each certificate shall show the names of the exporter and the consignee, the destination, the number and types of packages, the shipping marks, the

kinds of products, and the weight of the products in accordance with §317.2 of this subchapter.

(c) Only one certificate shall be issued for each consignment, except that for sufficient reasons new certificates in lieu of the original certificates may be issued. A certificate issued in lieu of another shall show in the left hand margin the notation "Issued in lieu of * * *", and the number of the certificate which is superseded. The certificate that is superseded when another is issued in lieu thereof, shall if available, be surrendered to the inspector in charge and marked by him to show in the left hand margin the number of the certificate which supersedes it, as follows: "Superseded by No. ____".

(d) The original of the certificate shall be delivered to the shipper and may be furnished by him to the consignee for purposes of effecting the entry of product into the foreign country of destination.

(e) The duplicate of the certificate shall be delivered to the shipper and shall be delivered by the shipper to the agent of the railroad or other carrier which transports the consignment from the United States otherwise than by water, or to the chief officer of the vessel on which the export shipment is made, or to the vessel's agent and shall be used only by such carrier and only for the purpose of effecting the transportation of the consignment certified. The chief officer of the vessel or the vessel's agent, shipper or shipper's agent shall file such duplicate with the Customs officer within four (4) business days of the clearance of the vessel at the time of filing the complete manifest. In the interim period, the vessel will be cleared by Customs on the basis of a statement, under the shipper's or agent's letterhead, containing the number of boxes, the number of pounds, the product name and the USDA export certificate number that covers the shipment of the product. No clearance shall be given to a vessel carrying meat products unless either the duplicate of the certificate or the prescribed statement referencing the certificate has been presented to Customs.

(f) The triplicate of the certificate shall be retained in the circuit file.

§ 322.3

(g) Under no circumstances shall the original or the triplicate of such certificate be used for the purpose prescribed by paragraph (e) of this section for the duplicate.

(h) Upon request, official export certificates may be issued by inspectors for export consignments of product of official establishments not under their supervision, provided the consignments are first identified as having been "U.S. inspected and passed" and are found to be neither adulterated nor misbranded, and marked as required by § 322.1.

[35 FR 15604, Oct. 3, 1970, as amended at 42 FR 11826, Mar. 1, 1977; 51 FR 31938, Sept. 8, 1986]

§ 322.3 Transferring products for export.

When inspected and passed products for export are transferred from tank cars to other containers on vessels, such transfer shall be done in accordance with the provisions of part 350 of subchapter B of this chapter.

§ 322.4 Clearance of vessels and transportation without certificate prohibited; exceptions.

No clearance shall be given to any vessel having on board any product destined to any foreign country, and no person operating any vessel, and no railroad or other carrier, shall receive for transportation or transport from the United States to any foreign country, any products, unless and until an official export certificate covering the same has been issued and delivered as provided in this part; except in the case of inspected and passed ship stores and not more than 50 pounds of inspected and passed product for the exclusive personal use of the consignee and not for sale or distribution, and except for exempted product eligible for exportation under the provisions of the Act and the regulations in this subchapter and inedible product that is not capable of use as human food and is eligible for exportation under other provisions of said regulations.
